

7.0kg vented tumble dryer comes with SensorDry technology to gently dry your garments for an exceptional result. Other features include fast timed programs, and anti-tangle reverse tumbling action.

RRP AUS \$749.00

Product Details

FEATURES

Sensor Dry

Sensor Dry cares for your clothes. 3 settings dry your clothes just right without overdrying.

Durable stainless steel drum

Wall mount option with reversible control panel decal

Clean Filter Indicator

A reminder to clean the filter, keeping your dryer running in optimal condition, saving time and energy.

Efficient Reverse Tumbling Action

The tumble action alternates from clockwise to anti-clockwise. This reduces clothes tangling and bunching, so they dry evenly and quicker.

Ideal temperature settings

BENEFITS

Sensor Dry

Sensor Dry gently and precisely dries your garments for exceptional results. This easy-to-use program will also save you precious time and energy.

Efficient Reverse Tumbling Action

The tumble action alternates clockwise to anti-clockwise, reducing clothes tangling and bunching, so they dry evenly and quicker.

Ideal temperature settings to suit different loads

With four settings, even your most precious items are in safe hands. Choose from the airing setting for uncomplicated aeration, low heat setting for your delicates, normal setting for regular loads, or use the boost setting for heavier loads.
