

Freshness For Healthy Living

Quality, Design and Innovation

SKBbs 4350

LIEBHERR

2.4" Touchscreen Display: Located behind the appliance door, this high-resolution and high-contrast 2.4" touchscreen display can be read from any angle. Stored menu options are Intuitive and easy-to-operate.

BioFresh: When stored at Biofresh's precisely maintained temperature of 0°C and correct humidity level, nutrients in your food are retained. Our BioFresh drawers fully extend on telescopic rails and feature a self-closing mechanism.

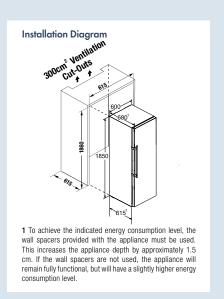

PowerCooling: A high-performance system that allows freshly stored items to be chilled rapidly while maintaining an even temperature throughout the interior. In this energy-efficient BluPerformance range, the fan switches off when the appliance door is opened, saving valuable energy.

When looking for optimum fresh food storage, look no further than the **SKBbs 4350** BlackSteel fridge with BioFresh. From our BluPerformance range, this appliance combines perfect cooling performance for long-lasting freshness, ample storage space, and a classic design.

All its three BioFresh drawers run on telescopic rails and provide optimal storage conditions for your groceries at a temperature of just above 0°C in combination with ideal humidity. The SuperCool function allows food to be cooled quickly. And for storage of small condiments, pastes or medicines, VarioSafe makes it possible.
