ALFRESCO KITCHEN

CABINETRY

ABS SERIES

freestanding alfresco kitchen

Construction

- Steel frame: galvanised and powder coated to protect from corrosion
- Steel cabinet and rear panel: galvanised and vinyl wrapped in timber look
- Substrate: PVC board to reduce weight, act as fire insulator, does not attract humidity
- Cladding: 6mm Neolith stone finish, seamless, hard wearing, true to touch, scratch and stain resistant

Warranty

The stone bench carries a warranty of 25 years, underwritten by Neolith.

All steel elements carry a warranty of 5 years against material failure.

All components carry a warranty of 6 months against production defects.

Cabinetry Made in South Africa

Design

- Assembly: designed to be assembled by two people in under one hour, tools supplied (spanner and allen key)
- Symmetrical design: the unit can be assembled left or right oriented, this means that the BBQ unit can sit on the left or right-hand side of the outdoor kitchen bench
- Dimensions assembled: 2353mmW x 680mmD x 950mmH
- Feet: height adjustable to compensate for uneven floors to +/-50mm
- Colour: benchtop: grey anthracite; timber look finish: dark oak
- Packaging: designed to transport as flat packed unit, in four packs, total weight of 160kg

ABBQPACK1: INCLUDED CABINETRY & APPLIANCES
